Subject: Final Approval of Permit Transfer, Geneva Rock Products, Inc., Morgan Quarry, M/029/0008, Morgan County, Utah

Dear Mr. Clyde:

On March 6, 2012, the Director of the Division of Oil, Gas and Mining approved the replacement surety and reclamation contract for the Transfer of Notice of Intention (NOI) for the Morgan Quarry project from Granite Construction Company to Geneva Rock Products, Inc. You are now solely responsible to conduct mining and reclamation as outlined in the approved NOI. Granite Construction Co. is hereby released from any further reclamation liability under this permit.

You may, at any time submit a notice to amend/revise any portion of the approved NOI. Please use form MR-REV located on the Division's website at www.ogm.utah.gov/minerals. You may not implement these changes until you receive Division approval of the amended/revise NOI.

Thank you for patience in completing this permit transfer. Please refer to file M/029/0008 in any correspondence regarding this operation. If you have questions regarding this letter, please contact me at 801-538-5261 or Leslie Heppler at 801-538-5257.

Sincerely,

Paul Baker
Minerals Program Manager
